(b) the accrued rights, remedies, obligations and liabilities of the parties as at expiry or termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and
(c) clauses which expressly or by implication have effect after termination shall continue in full force and effect.
- 11. General**
- 11.1 Any notice required or permitted to be given by either of us to the other under these Conditions shall be in writing addressed to the other at its registered office or principle place of business or such other address as may at the relevant time have been notified pursuant to this provision to the party giving the notice. Any notice shall be in writing and shall be delivered to the other party personally or sent by prepaid first-class post, recorded delivery. Any notice shall be deemed to have been duly received if delivered personally, when left at the address referred to above or, if sent by pre-paid first-class post or recorded delivery, at 9.00 am on the second Business Day after posting.
In these Conditions a reference to a party includes its successors or permitted assigns.
- 11.2 VES shall not be liable to you as a result of any delay or failure to perform its obligations under this Contract as a result of an event beyond its reasonable control including but not limited to strikes, act of God, act of terrorism, war, compliance with any law, fire or flood etc. If such event prevents VES from providing any of the Services for more than 4 weeks, VES shall, without limiting its other rights or remedies, have the right to terminate this Contract immediately by giving written notice to you.
- 11.3 Each party shall keep in strict confidence all technical or commercial know-how, specifications, designs, processes or initiatives which are of a confidential nature and have been disclosed to it by the other (its employees, agents or subcontractors) and any other confidential information concerning the other party's business or its products or its services.
- 11.4 A person who is not a party to the Contract shall not have any rights under or in connection with it. A waiver of any right under the Contract is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.
- 11.5 VES may at any time assign, transfer, charge, subcontract or deal in any other manner with all or any of its rights under the Contract and may subcontract or delegate in any manner any or all of its obligations under the Contract to a third party or agent. You shall not, without the prior written consent of VES, assign, transfer, charge, subcontract or deal in any other manner with all or any of its rights or obligations under the Contract.
- 11.6 If any provision of these Conditions is held by any competent authority to be invalid, illegal or unenforceable in whole or in that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected. If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.
- 11.7 Any dispute arising under or in connection with the Contract and/or supply of Services shall be referred to arbitration by a single arbitrator appointed by agreement or (in default) nominated by the application of either party by the President for the time being of The Royal Institution of Chartered Surveyors.
- 11.8 The Contract and any dispute or claim arising out of or in connection with it or its subject matter or formation, shall be governed by, and construed in accordance with, the laws of England and the parties hereby irrevocably submit to the exclusive jurisdiction of the English Courts.
